

Iowa Repeater Council, Inc.
Member, Mid-America Coordination Council

Frequency Coordination Application

Use this form to apply for the coordination of a frequency. All the blanks must be filled out, or the form will be returned to you. All the data is understood to be proposed, but remember that coordination is based on 5 criteria (frequency, location, HAAT, ERP, and ownership). If any parameter is changed, coordinated status is lost and re-coordination must be done. If you propose to use link, control, or other frequencies, or have multiple receive sites, each frequency or site must have a separate form submitted. (* any confidential info)

Frequency or band under consideration:
Type of station (RPTR, CTRL LINK, AUX LINK, ETC):
Station Callsign: _____ Trustee Callsign: _____
Located in/near this city: _____ (for directory)
